Advanced Basketball Training Skills Camp

Get out of your comfort zone and learn from your mistakes in a setting that fosters growth as a player. The BRHS basketball coaches will work directly with each player to give campers a sense of what it is like to be a high school athlete.

Are you trying to make a competitive team next winter? This high intensity camp is designed to teach skills and drills assisting players to get to the next level. Video/classroom instruction is used to enhance the teaching and learning environment. Campers receive classroom instruction and then take to the court for drill work.

Extended Care Program (\$10 per hour) 3:45-5:45 every day we will provide a non-basketball supervision program for working parents. Please view the web site for detailed information regarding this aftercare program.

Hours 8:15am – 3:45pm: 'Early drop-off' begins at 8:15 each morning & 'late pick-up' runs until 3:45 every day. Forty-five minutes of supervised, free shooting is included before and after the six hours of organized camp instructional time at no additional charge. **Structured camp schedule: 9:00am – 3:00pm**

Program Philosophy: Video instruction, fun, fitness, skill development, & sportsmanship are all integrated.
