4-week program to begin with ... July 6-31

With the possibility to extend into August if the program goes well:

8-week program: July 6 - Aug 28

We plan to keep the program cost very reasonable at \$25 per player per session

Participants can enroll with us for individual days or a week (4-days) at a time (\$100)

For comparison, Hunterdon Hoops is offering a half day camp for \$250 per week, Ridgewood YMCA \$199 for half days, and Monroe Sports Center has half day camps at \$150/week. As always, our program is the best value around!
